

## Better Quality Water in the Home

# Pure filtered Water

### Convenient

- Takes up less space than bulky bottled water packs or filter jugs in the fridge.
- Fits neatly in an under sink cupboard out of sight and out of the way.
- Patented quick-change head means easy 5 second cartridge change.

### Saves Money

- On average bottled water costs 95p litre\*
- 3M filtered water from the tap 0.01p litre\*\*

\*Based on Independent online article 09/01/07

\*\*Based on Ofwat figure of 0.14p per litre and 3M replacement cartridge price / litre usage capacity

### Stylish

- Perfect for a Healthy Lifestyle.
- The stylish chrome tap is a decorative home improvement.

### Better Quality Water

- Taste Master Plus removes 99.9% of Cysts.
- Premium quality drinking water.
- Reduces impurities and chemicals in tap water.
- ScaleGard® cartridge reduces lime scale build-up.

# The Drinking Water Systems

## TasteMaster Plus Specialist Water Filter

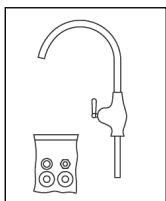

## ScaleGard® Pro Water Filter and Limescale Control

### Box Includes

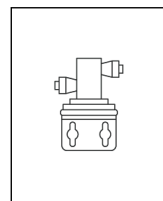

Tap kit

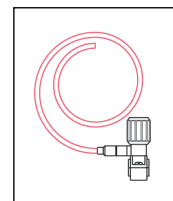

Blue connecting tube

Filter cartridge

Head

Saddle valve kit

For the filtration of cold water only. All materials are FDA compliant with CFR title 21. This is a mechanical, chemical filter.

Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

Systems certified for cyst reduction may be used on disinfected water that may contain filterable cysts.

EPA Establishment No. 070595-CT-001

In line with current good practice and EPDWA guidelines, filter cartridges should be changed every 6 months, ScaleGard® cartridge may need to be changed more frequently.

Products are tested in accordance with NSF/ANSI Standard 42 for Particulate Reduction and Chlorine Taste and Odour and, where stated, NSF/ANSI Standard 53 for Cyst, Benzene, Dichlorobenzene, Toxaphene & Turbidity Reduction.
